

Orford Parks and Playgrounds Committee
Approved Minutes of the Meeting
November 19th, 2019
Orford Town Offices
7:00

Present: JJ Hebb (Chair), Robb Day, Lawrence Hibbard and Craig Pelletier.

JJ opened the meeting at 7:00. Two Rivendell Academy Students, Kendyl Boisevert and Adele Tilden, are creating a scoreboard for the Baseball team and contacted the OP&P for guidance, request for funds and permission to place the board at the Community Field. The Committee discussed where they thought it would be best placed. JJ thought that it could be portable. Robb was concerned that it may tip over. The three areas that were discussed were on the building along the third base line, on the basketball court fence or on the fence along the girls soccer field. It was left that JJ would contact the girls and let them know of the choices. Lawrence felt that if it was to be placed on the basketball fence, it should be supported by the poles and not just hung on the fence.

The total project was estimated to cost \$300. The girls had also asked for funding as well. After a short discussion, the Committee decided to give \$150 to the project providing that it was completed and that receipts totaling the \$150 are to be handed into JJ so that they can be reimbursed.

The meeting was adjourned at 7:26.

Minutes taken by Robb Day.
