

# TOWN OF ORFORD

Board of Selectmen

Meeting Minutes

October 5, 2022

MEMBERS PRESENT: John Adams, Jen Carter, Chase Kling

## **Call Meeting to Order**

The meeting was called to order at 5:30 pm

The preliminary plan submitted by James Kennedy, Wetlands Scientist for a mitigation plan for NHDES File#2022-01778 was reviewed. Two errors were discovered on drawing S-2 9/29/2022:

1. The road width on the drawing is incorrectly specified as 25 feet either side of center line, a 3-rod road. As confirmed by Chase the road width to the stone wall is not 25' as indicated but 16'. The road is a 2-rod road.

This call into question many of the design features that are specified as being placed with in the town right of way.

2. The name of the abutter on the south side of Mud Turtle Pond road is misspelled.

*Motion made by Adams, seconded by Kling to reject the plan. Motion Passed 3/0*

Since the plan is rejected abutters cannot yet be notified of it for their input and/or approval.

James Kennedy to be notified of the discrepancy and a revision to the plan be prepared as soon as practical.

Since the DES deadline was October 8<sup>th</sup> and now cannot be met, DES will be notified and an extension of three weeks (10/29) will be requested.

Other business:

Chase reported on the placement of stone markers at the recently surveyed corners on the west common and champion field. Details will be reviewed at the next regular meeting.

Highway report: Steve Williams started on October 3<sup>rd</sup> and is enthusiastically assuming his duties as foreman.

Adjourn 6:35 PM Motion by Chase, second by Jen approved 3/0

Respectfully submitted

John Adams
