

TOWN OF ORFORD

Policy for use of Indian Pond Beach

The purpose of this policy is to provide for the safe and enjoyable recreational use of the Indian Pond Beach for taxpayers in the Towns of Orford and Piermont. The policy will be implemented through a beach pass issued by the respective Towns, and the presence of a person to monitor use of the Indian Pond Beach.

Use of the Indian Pond Beach is limited to resident and nonresident taxpayers of the Town of Orford and Piermont. The town of Orford will establish rules for the use of the Indian Pond Beach, and will post the rules at the beach.

Users of the beach are expected to follow the rules and to use good sense and common courtesy when using the beach. Guests of pass-holders are welcome when accompanied by a pass-holder. Use of alcohol on the premises is prohibited and use of the beach by those not holding beach passes may result in legal action including prosecution for trespass under RSA 635:2.

Beach passes for both residents and nonresident taxpayers are available from the Town Offices of their Town. There is no fee for the beach pass. Each member of a household may receive a beach pass.

In order to preserve access at the boat launch, pass-holders should park where designated and keep the "no parking" area clear for those launching boats.

The monitor is NOT a lifeguard. NO lifeguard on duty. Swim at your own risk.
