

RECEIVED

MAR 11 2021

TOWN OF ORFORD

2/2/20

Those present: Allan Hebb and Jeff Winagle Commissioners and Jane Hebb Treasurer

The minutes of the January meeting were read and approved.

Allan gave one copy of our map to the State garage in town. They were happy to receive it as they did not know that there was a water line that went down Main Street.

Jeff Winagle sent Eversource a copy of the map by email. He also asked them more about Dig Safe. They told him the website to use and he will continue on with Dig Safe.

Jane has to add some gps readings to the spreadsheet and then will show it to the Commissioners.

The 2021 Budget hearing will be 3/⁹2/21. The Annual Meeting will be 4/6/21. Both are on our meeting nights. Jane will notify the Moderator of the annual meeting. Jane will do the warrant and the MS-636 form and have the Commissioners sign it.

Jeff and Bill have the map of the water line on their computers. Jane will add it to hers and file the disk in the filing cabinet.

Gilford Well has completed the Emergency Plan and it has been sent to the State. Jane will inquire about our copy.

Meeting was adjourned at 7:25 PM

Respectfully submitted,

Jane Hebb,
Acting Clerk
