

3/9/20

Those present: Allan Hebb and Jeff Winagle Commissioners and Bill McKee, Acting Clerk

The 2021 Budget Hearing was held. There were no questions so we moved on to the regular monthly business meeting.

The minutes of the February meeting were read and approved.

Jeff Winagle said he is too busy to continue the Dig Safe project. Allan will take over.

Jane has to add some gps readings to the spreadsheet and then will show it to the Commissioners.

The Annual Meeting will be 4/6/21. The Moderator is available for the annual meeting.

Jeff and Bill have the map of the water line on their computers. Jane will add it to hers and file the disk in the filing cabinet.

Gilford Well has sent the Emergency Plan and it has been filed with the others.

Meters will be read March 11. The one customer that was notified on the December bill that they need to pay their bill in full by 5/1/21 will be sent a registered letter with the March bill. Jane will tell them again that the water will be shut off.

Meeting was adjourned at 7:30 PM

Respectfully submitted,

William McKee,
Acting Clerk
