7/6/21

Those present: Allan Hebb, Commissioner, Bill McKee and Jane Hebb, Acting Clerk

TOWN OF ORFORD

The minutes of the April annual and June meeting were read.

Meters were read, bills mailed with a notice of not to use excessive water and a copy of the CCR report was included. Gilford Well was sent the form saying the CCR reports had been sent. Jane noted that we only have 3 delinquent bills!

One property questioned why his bill was so much. He also wanted to know how much of the bills go to the mortgage. Jane will write to him. Another property has had a large water usage for the last 2 quarters. Allan is reading the meter weekly. We can do the 5 gallon test if necessary.

Joining Dig Safe is ongoing. Allan has tried to send them an email with a copy of the map but the email failed.

The propane tank was filled and the bill was approved for payment.

The blow offs still have to be tested to make sure the covers will come off.

Jane will check with Debbie to make sure once a lien is placed on a property that it stays there until the bill is paid.

Primex bills were received and approved for payment.

Jane was told to tell Jeff to bush hog the field when he gets his tractor back.

The meeting adjourned at 7:14.

Respectfully submitted,

Jane Hebb,
Acting Clerk
