

8/3/21

Those present: Allan Hebb and Jeff Winagle, Commissioners, Bill McKee and Jane Hebb, Acting Clerk

TOWN OF ORFORD

The minutes of the July meeting were read and approved.

Joining Dig Safe is ongoing. Allan has tried to send them an email with a copy of the map but the email failed.

The blow offs still have to be tested to make sure the covers will come off and we need to get the system blown off before winter. Due to current health conditions Allan cannot work on the shut offs alone. It was discussed to ask Gilford Well if they could turn the shut offs when they come to blow off the system. Not sure if Bill is asking them or if Jane should.

Jane checked with Debbie about liens is placed on a property. She said the lien stays on the property until bill is paid or property is sold.

Jane told Jeff to bush hog the field.

Allan will call to make an appointment with Milton Cat to have the annual maintenance done on the generator.

Jane will do the MS-434 before 9/1.

Jane did the grant application for the annual state grant and sent it in.

The October meeting will be held the second Tuesday of the month as Allan, Jane and Jeff are gone the first week of October.

Pierre Kosely called Allan to say the blow off on Bridge Street is leaking.

The meeting adjourned at 7:19 PM.

Respectfully submitted,

Jane Hebb,
Acting Clerk
