

10/12/21

Those present: Allan Hebb, Commissioners, Bill McKee and Jane Hebb, Acting Clerk

The minutes of the September meeting were read and approved.

Joining Dig Safe is ongoing. Allan has tried to send them an email with a copy of the map but the email failed.

Gilford Well will come to blow off the system 10/14/21.

The audit was received and reviewed. It was voted to pay the bill for the auditor.

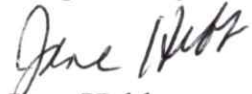

Jane wrote the letter to Kevin Niland but he has not responded yet.

There has been a problem with the multi-meter. Gilford Well is waiting for the part so they can fix it.

A letter was received from one customer asking questions about the system and why it is so expensive. Jane was instructed to write a letter to the customer telling him when the system was installed, that the district is audited and explain the billing system.

The meeting adjourned at 7:30 PM.

Respectfully submitted,

Jane Hebb,
Acting Clerk
