Those present: Allan Hebb, Commissioner, and Jane Hebb, Acting Clerk, Treasurer

Jane needs to contact the Town administrative assistant to see if the district budget should be included in the town report. She will also ask about who should be auditing the accounts, Town auditor, or our own auditor.

The minutes of the June meeting were read and approved.

Joining Dig Safe is ongoing. Jeff is sending an email to them asking how they want the map and location sent to them.

The Register of Deeds has released the lien on one customers property since the bill was paid.

Allan will contact Mike Wright about doing this work in August or September. There were 2 blow offs that failed. The failed blow offs were the one at end of Bridge Street and the one at the south end of the system.

Jane received and sent the application for next years State Grant.

The audit materials were sent to day.

We got the first months bank statement from the new trust fund account. Jane will hold them to send to the auditor.

We received a notice that Perry/Pattons Gas is now Superior Plus Propane. We will have a new account #.

When the meters were read there was one meter that they could not read. Allan will contact the customer and arrange a time he can look at the meter in the basement.

The Meeting adjourned at 7:15 PM

Respectfully submitted,

Jane Hebb,
