

8/2/22

Those present: Jeff Winagle and Allan Hebb, Commissioners, Jane Hebb, Acting Clerk, Treasurer and William McKee

The minutes of the July meeting were read and approved.

Jane needs to contact the Town administrative assistant to see if the district budget should be included in the town report. She will also ask about who should be auditing the accounts, Town auditor, or our own auditor.

At the end of the meeting Jeff Winagle presented his resignation as Commissioner. It was accepted with regret. He has been a commissioner for 24 years. Jane will put another notice in the October bills saying that we now have 2 vacancies

Joining Dig Safe is ongoing. Someone will have to take over as Jeff is sending an email to them asking how they want the map and location sent to them.

Allan saw Mike Wright, He is willing to dig up the blow offs in September or October. There were 2 blow offs that failed. The failed blow offs were the one at end of Bridge Street and the one at the south end of the system.

When the meters were read there was one meter that they could not read. On the July bill sent to the customer Jane explained the problem and asked them to contact us when they are in town.

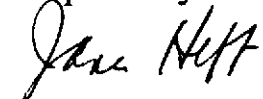

Jane will ask Jeff Hebb to do the annual brush hogging.

One customer called Allan to say their meter was leaking in their basement. Allan and Bill changed the meter and expansion tank. Jane was given the new and old meter numbers to use for the next billing.

Jane needs to do the MS 434 for September 1.

The Meeting adjourned at 7:30 PM

Respectfully submitted,

Jane Hebb,
Acting Clerk
