List all persons/affiliations attending the inspection: Allan Hebb, Chairman of Orford Village District
Commissioner, Commissioner William McKee and Molly Thunberg from DES

Background: Was the property visited for routine ground monitoring purposes or did complaints or problems prompt the visit? Routine

Description of Current Land Use: Land is used only for Water source(2 Wells), storage tank (buried 27,800 gallon capacity) and Pump station. Located at 32 Archertown Road.

Condition of boundaries: (blazed, painted, corners marked) Boundaries are marked with rebar painted orange (Allan Hebb, William McKee and Molly Thunberg walked the boundary lines and Allan maked all the markers with new flagging)

List Man-made Alterations since the previous monitoring. (For example, construction, dredging, filling, trails, timber harvest, clearing new fields, etc.) Describe activity or alteration; noting extent, location, purpose, individual responsible (if known). Attach maps, photos, and illustrations as necessary.

Field and fenced in area around pump station and well head mowed. Tree on Property Line between Water Company and Cemetery removed as it was in danger of falling on nearby Grave Stones.

List Natural Alterations (Flooding, fire, insect infestation) Note location and nature of changes. Attach maps, photos, and illustrations as necessary. None

To the best of your knowledge and observation, is there compliance with all restrictions specified in the fee simple deed? Please describe. Yes

Other observations/comments. Sanitary Survey completed by DES (Mary Clairmont) No discrepance

Follow-up: Write letter to town/city contact summarizing visit, discussions, and questions.
