

# TOWN OF ORFORD

Road Committee

Meeting Minutes

March 9, 2023

MEMBERS PRESENT: Charles Smith, Herb Austic, Mike Wright

OTHERS PRESENT: Chase Kling, Selectboard Representative

## **Call Meeting to Order**

The meeting was called to order at 6:00 p.m.

Charlie discussed the Selectboard meeting he attended with Erin Darrows' plan for the Archertown road project. He felt she was knowledgeable and that she would be willing to hear input from Steve and the committee to come up with the best cost-effective plan for the project.

Charlie has secured two rolls of a specific Wicking Fabric at no cost to the town valued at 7000.00 which he feels would greatly add to the longevity of the project. He would like to propose using this with her and Steve.

Boring was done on Archertown 2/3 years ago to assess the road base which was paid for by the town. The committee would like to review those findings. Chase commented he was not sure where they were but he would try to locate them.

Mike suggested that they not grind the flat above the hill until they are ready to pave because he personally would be concerned about the stability of the base under the pavement if any.

Herb noted that the estimate for the hill project from Erin was \$419,378.00 and the article amount for the project was less than that figure? His concern was what will happen if the estimates come in over that 400 000. figure?

Herb relayed that the town garage addition was finished. The town's crew was painting the interior as their time allowed.
