

# TOWN OF ORFORD

Road Committee  
Meeting Minutes  
December 18, 2023

MEMBERS PRESENT: Charles Smith, Herb Austic, Mike Wright

OTHERS PRESENT: Ted Nutter, Highway Supervisor

## **Call Meeting to Order**

The meeting was called to order at 8:05 a.m.

The committee asked Ted what his thoughts were on a building that would best suit the needs of the highway dept. His response was a structure large enough to house the grader and all the other equipment that is now stored outside in the weather. Also to make it large enough for the future if cost effective.

The group reviewed the town barn site and decided on a flat area next to the existing salt shed. This area was accessible from the driveway and close to the utilities if so required. It appeared to be clear from the existing utilities on site. It was thought best to remove enough trees from the area for the structure and surrounding area to stop the potential of falling trees on the structure in the future. It was felt that the value of the lumber would compensate someone for the removal of the trees. With all in agreement Herb said he would work up some pricing for all to review. He would try to have these ready for the next committee meeting.

## **Adjourn**

*Motion made by Smith, seconded by Austic to adjourn the meeting. Motion Passed.*

The meeting adjourned at 8:52 am

Respectfully Submitted,

Herb Austic
