Call Meeting to Order

The meeting was called to order at 10:33 am

The Road Committee met on the Archertown Road Phase I area to evaluate the concerns of the newly paved section of the phase 1 project.

By coincidence Ted Nutter, Rodger Hadlock, Chase Kling, and Erin Darrow were having an informal meeting on the hill, and joined the committee. Concerns were expressed and possible remedies were presented and discussed by all in attendance.

It was an informative meeting, with open dialogue. Mike and Erin talked about specific concerns and remedies. They both were confident that these issues were to be best resolved after the winter season. The committee was encouraged by the open dialog by all who attended. The committee's hope is that this open dialog will continue in the future.

Adjourn

The meeting adjourned at 11:38 am

Respectfully Submitted,

Herb Austic
