Call Meeting to Order

The meeting was called to order at 3:30 pm

Old Grimes Hill Road

The Selectboard met with the group to discuss and review plans to improve the Old Grimes Hill road in order to have this road that intersects Route 25A meet the requirements required by NH DOT for access to Route 25A. Spottswood expressed her concerns about how the road might impact her property, stone wall and driveway. McNamara agreed the work would not disturb her property, specifically the stone wall and driveway access.

The Selectboard agreed the work can be done, but the Selectboard will need the property owners (the Cervi's) to complete a Road Improvement permit application for the Selectboard to review and authorize.

Public Comments: none
