ORFORD #40366; X-A004(371) & #41390; X-A004(620)

The purpose of the Orford 40366 & 41390 projects is to address the deteriorated conditions of the NH 25A bridges over Brackett Brook and Baker Pond Brook. The improvements to the bridge over Brackett Brook begin approximately two hundred seventy-five feet west of Upper Baker Pond Road and continue east for approximately nine hundred feet. Improvements to the bridge over Baker Pond Brook begin approximately three hundred seventy-five feet west of the bridge over Baker Pond Brook and continue east for approximately eight hundred twenty-five feet. The proposed improvements will replace these bridges; the bridge over Baker Pond Brook is listed as #44 on the 2024 State Red List Summary by Priority, and the bridge over Brackett Brook is listed as #57 on the 2024 State Red List Summary by Priority.
