This represents funds received in 2023 from the Special NH Highway Block Grant of \$18,044 for additional road projects, the NH Municipal Bridge fund for the maintenance, construction and reconstruction of municipally owned bridges of \$20,328, and FEMA reimbursement funds of \$32,569

A motion was made by Forrest Aldrich and seconded by Theresa Taylor, the article passed by voice vote.

A motion was made by Charles Smith Jr. to move to article 14 forwarded and seconded by Ted Cooley.

ARTICLE 14 – Petitioned article

To see if the Town will vote for bylaws of the road committee to read: The road committee will: (work with the "road agent") to:

- 1. Recommend annual road maintenance priorities and budget
- 2. Recommend emergency road infrastructure repair
- 3. Recommend annual road and culvert repair priorities and budget
- 4. Develop and maintain long range road infrastructure capital repair plan and running estimate for same

- 5. Provide subject matter expertise on municipal road maintenance, repair and construction, including contract / proposal review and estimates.
- 6. Provide subject matter recommendation on building layout, building construction or building retrofit.

The means of communication will be in writing from the road committee via email or handed document with date of acceptance of delivery. If the *"Road Agent" does not accept recommendation/s, then the "Road Agent" will put in writing the reason not accepting the road committee recommendation/s

Note: This written notification will be provided to the chair of the road committee within 14 days.

Charles Smith Jr. chair of the Road Commission said the reason this petition article was brought up was because we have had no Road Agent for around two years. The Selectboard have been acting Road Agent. Smith said the bylaws were intended to make sure the road committee could provide support and assistance to the town road agent.

The road committee is looking forward to working with the new road agent Ted Nutter.

After a brief discussion. Joanne Fratus made a motion to amend the article to say this written notification will be provided to the chair of the road committee within 30 days instead of 14 days. This was seconded by Mark Blanchard. This article was passed by voice vote.

ARTICLE 6

To see if the Town will vote to raise and appropriate the sum of four hundred thousand dollars (\$400,000) for the Archertown Road Flat-Phase II project (from the end of Phase I at the top of the hill, to Newcomb Bridge), which includes ledge removal, culvert replacements, ditching, grading, cost of gravel and base coat paving, plus top coat paving of the Archertown Road for both Phase I and II areas. The cost to be paid as follows: Three hundred thousand dollars (\$300,000) from taxes, and one hundred thousand dollars (\$100,000) from the Road Improvement Capital Reserve Fund. This will be a 3-year non-lapsing appropriation per RSA 32:7, VI.

An amendment was made by Charles Smith Jr. and seconded by Joanne Fratus

The article will now read:

To see if the Town will vote to raise and appropriate the sum of four hundred thousand dollars (\$400,000) for the Archertown Road Flat-Phase II project (from the end of Phase I with a transition at the top of the hill to Newcomb Bridge), which includes ledge removal, culvert replacements, ditching, grading, cost replacements, ditching, grading, cost of gravel, stone aggregate, base coat and top coat paving for Phase II only.

SELECTMEN'S REPORT 2024

Many changes took place in the later part of 2023 and 2024. In November 2023, all members of the Planning Board submitted their resignations. The Orford Selectboard successfully petitioned the Grafton County Superior Court, and were able to appoint interim members to serve until the March 2024 Town meeting. Orford now has a full Planning Board consisting of 3 veteran members (Tom Thomson, Ruth Hook and Paul Goundrey), plus 3 new members (Chairman Mark Adamczyk, Secretary Martha Rose and Caleb Day). The Planning Board has had numerous informal discussions about subdivisions, lot line adjustments and mergers, which should be processed in 2025. The Planning Board will also continue to work on an update of the Wireless Tower Ordinance.

January 2024 saw the resignation of the Fire Chief and a number of members. Orford Selectmen appointed Selectman and retired Lebanon City fire officer Kevin Follensbee to act as interim Chief until after Town meeting. Following the annual meeting, lifelong resident and career EMT/fire fighter Steve Sanborn was appointed as Fire Chief. Kevin Follensbee was re-appointed as the Emergency Management director and together brought back a number of highly qualified EMT's and fire fighters to the department. The Fire department has gone from an hourly wage model to an annual stipend, returning to a true volunteer department.

Our Police Chief Jason Bachus continues to do a great job and his new police vehicle has served him well. He has cleared up a number of backlog misdemeanors and felonies court cases, which uses a lot of office time.

The Orford Bandstand Committee has generated a financial plan and business model for fund raising to rehabilitate the Bandstand. This work should be funded and completed in 2025.

The Congregational Church on Main Street is reconsidering its options and does not have a warrant article for the Town to consider at this time.

The Cemetery Commission made great strides in maintaining its stones and monuments with two well attended presentations this fall at the Dame Hill Cemetery and the West (Main Street) Cemetery. The Cemetery Commission lost its long term 35+ year employee Kurt Gendron to health issues. Coverage of care for this past summer occurred, but now the maintenance will go to a contractor and costs will increase.

At the 2024 Annual Town meeting, Kevin Follensbee won a 2-year term to complete the term of Jennifer Carter who resigned in May 2023, which Kevin was appointed to fill. Larry Taylor was elected for a 3-year term defeating a 4-term Selectman John Adams. Kevin brings a career of professional, municipal life safety skills. Larry, a 50+ year resident, farmer and construction business owner brings his business experience to the Selectboard.

The Highway department saw staff stability this year. Ted Nutter was appointed Road Agent in February 2024 and focused on a major catch-up project of ditching, graveling and grading out gravel roads, many which had need due to deferred maintenance. Good ditches and good gravel make good roads. The Highway department crew provided support to our contractors in completing the Archertown Road Phase II rehabilitation on time and under budget. 2025 will see continued repaving, rehab of the last bad section of the Archertown Road and replacement of failed culverts at Indian Pond. Thanks to Tim Chase, our steady, reliable grader operator for helping out this year.

Orford Selectmen: P. Chase Kling, Kevin Follensbee, Larry Taylor

Moderator's 2025 Orford Town Meeting Procedures Harrison Pease, Moderator, Town of Orford

Speaking

- Please wait to be recognized by the Moderator before speaking.
- Speakers must be registered voters in the Town of Orford.
- Please go to the microphone to speak so that everyone can hear you.
- Please state your name the first time you speak.
- Please limit comments to no more than 5 minutes.
- Please add to previous comments; do not just repeat what has already been said.
- The Moderator will recognize those who have not spoken on an article before recognizing anyone who has already spoken.
- It's okay to disagree, but please be respectful of other people and their opinions.

<u>Motions</u>

- All motions must be moved and seconded before discussion begins.
- One motion or amendment at a time please to avoid confusion.
- A "Motion to Reconsider" any previous vote on an article can occur at any time after the first vote was taken.
- A "Motion to Restrict Reconsideration" of any previous vote on an article can be made at any time after the first vote was taken (RSA 40:10).
- A "Motion to Call the Question" cuts off debate, however, voters who are already standing at the microphone will be allowed to speak before a vote is taken on the motion. The Moderator shall have the right to refuse to recognize the motion, if in his opinion, the voters have not had an adequate opportunity to discuss the issue.
- If you believe the Moderator has erred in terms of procedure, you may request a "Point of Order" and the voters will decide. A majority vote is required to overrule the Moderator (RSA 40:4). You do not have to be recognized by the Moderator to raise a point of order.

Voting

- [] To vote, you must be a registered voter in the Town of Orford, not just a resident.
- Any article may be voted by paper ballot if 5 registered voters make a request in writing to the Moderator <u>prior</u> to the vote (RSA 40:4-a).
- □ When any vote, other than by ballot, declared by the Moderator is questioned by 7 or more of the voters present, orally or in writing, the vote shall be retaken by paper ballot immediately and before any other business is begun (RSA 40:4-b).
- ☐ Without objection, these procedures are for the 2025 Orford Town Meeting. These procedures may be altered by the voters at the meeting by majority vote (RSA 40:4).

The Selectboard recommend this article.

ARTICLE 5

To see if the Town will vote to appropriate forty-three thousand dollars (\$43,000) for the revaluation of property in 2025. The cost will be paid as follows: twenty-one thousand dollars (\$21,000) from the Revaluation Capital Reserve Fund, and the balance of twenty-two thousand dollars (\$22,000) from the unassigned fund balance. (Majority vote required). The Selectboard recommend this article.

ARTICLE 6

To see if the Town will vote to appropriate fifty thousand two hundred dollars (\$50,200) to be added to the Town of Orford Highway Truck Capital Reserve Fund, with said funds to come from the Unassigned Fund Balance. This represents funds received for the sale of the 2013 international truck (\$15,100) and the 2019 F-550 (\$35,100) (Majority vote required). The Selectboard recommend this article.

ARTICLE 7

To see if the Town will vote to appropriate six hundred dollars (\$600) to be added to the Town of Orford Cemetery Mower/Building Capital Reserve Fund, with said funds to come from the Unassigned Fund Balance. This represents funds received for the sale of the mower (Majority vote required). The Selectboard recommend this article.

ARTICLE 8

To see if the Town will vote to raise and appropriate the sum of one hundred fifteen thousand dollars (\$115,000) for the Archertown Road Phase I paving top coat (from the Dooley's driveway to the uphill end of Phase I). The cost will be paid from the Road Improvement Capital Reserve Fund. This will be a 3-year non-lapsing appropriation per RSA 32:7, VI. (Majority vote required). The Selectboard recommend this article

ARTICLE 9

To see if the Town will vote to raise and appropriate the sum of one hundred fifty thousand dollars (\$150,000) for the reconstruction and paving the Archertown Road from the Newcomb Hollow Bridge to the Norris Road intersection. The cost will be paid from the Road Improvement Capital Reserve Fund. This will be a 3-year non-lapsing appropriation per RSA 32:7, VI. (Majority vote required). The Selectboard recommend this article.

ARTICLE 10

To see if the Town wants to replace the High Bridge Road bridge. (FYI-the cost to replace will be approximately \$1,500,000 with the Town responsible for 20% (\$300,000), and the State of NH responsible for 80% (\$1,200,000)). Should the Town wish to replace the bridge, a warrant article will be presented at the 2026 annual meeting to vote on funding. (Majority vote required).

ARTICLE 11

To see if the Town will vote to raise and appropriate the sum of two hundred forty thousand dollars (\$240,000) to purchase a new four door, four-wheel drive cab and chassis rescue truck, with a utility style body and a wildfire slip on the unit, also including an extended warranty. To authorize the withdrawal of up to two hundred forty thousand dollars (\$240,000) from the Town of Orford Fire Trucks Capital Reserve Fund and authorize the Selectboard to dispose of the current 1998 HME rescue truck with the proceeds to either be applied to the purchase price to reduce the amount to be withdrawn from the Town of Orford Fire Trucks Capital Reserve Fund, or sold with the proceeds added back to the Town of Orford Fire Trucks Capital Reserve Fund. This will be a 5-

year non-lapsing appropriation per RSA 32:7, VI (Majority vote required). The Selectboard recommend this article.

ARTICLE 12

To see if the Town will vote to discontinue the existing WWII Monument Maintenance ETF which was established in 2004 mistakenly as a Taxpayer Funds: Trust under RSA 31:19-a I. Said Fund of three thousand one hundred and forty-six dollars and ninety-three cents (\$3,146.93), comprised of two thousand six hundred eighty-five dollars and sixty-three cents (\$2,685.63) of principal donations in 2004 and accumulated interest of four hundred sixty-one dollars and thirty cents (\$461.30) through 2024 are to be transferred to the town's General Fund. (Majority vote required). The Selectboard recommend this article.

ARTICLE 13

To see if the Town will vote to establish a WWII Monument Maintenance Trust under RSA 31:19-a IV as a Donated Funds: Income-only Trust. To raise and appropriate three thousand one hundred and forty-six dollars and ninety-three cents (\$3,146.93) to be placed in the new fund, such money to come from the town's Unassigned Fund Balance and comprised of two thousand six hundred eighty-five dollars and sixty-three cents (\$2,685.63) of principal donations in 2004 and accumulated interest of four hundred sixty-one dollars and thirty cents (\$461.30) through 2024. Trustees of Trust Funds will hold the funds for the purpose of maintaining, repairing and otherwise caring for the Town's WWII monument, with only the interest to be expended from such Trust Fund. The Selectmen are hereby authorized to accept additional future donations to the new Trust Fund for the purpose for which it has been established. (Majority vote required). The Selectboard recommend this article.

ARTICLE 14

To see if the Town will vote to establish a Cemetery Maintenance Expendable Trust Fund, a Taxpayer Funds Trust, pursuant to RSA 31:19-a and RSA 289:2-a, allowing all future proceeds received from the sale of cemetery lots in Orford cemeteries, any additional appropriations voted at annual or special Town meetings, and any interest gained thereon, for the maintenance of cemeteries; and, further to name the Selectboard as agents to expend from this fund. (Majority vote required). The Selectboard recommends this article.

ARTICLE 15

To hear the reports of Agents, Auditors and Committees heretofore chosen and to pass any vote relating thereto.

ARTICLE 16

To transact any other business that may legally come before said meeting.

Given under our hand and seal at Orford the 5th day of February in the year two thousand and twenty-five.

TRUSTEES OF TRUST FUNDS 2024 Annual Report

<u>**Trust and Trustee Changes.**</u> Vicki Schwaegler was reelected as a Trustee for 3 years. Terry Harwood was reappointed as an Alternate Trustee for 1 year. One Alternate Trustee position is vacant, and an Alternate Trustee with experience in investment strategies would be welcome on the team.

The following Trust changes occurred during 2024:

- The Selectboard approved a new BANDSTAND TRUST (2024) at their August 28, 2024 meeting.
- ☐ 3 new Cemetery Perpetual Care Trusts were created. Orford now has 451 Perpetual Care Trusts.

<u>Town of Orford CRFs/ETFs</u>. All 2024 Appropriations voted in Warrant Articles 3 & 5 were received by the Trustees. Major expenditures included purchase of a 6-wheel truck, Road Improvements, and repair of the roof at the town offices. Other expenditures were typical of annual operations.

The ICS SWEEP Account that holds the Funds for these trusts (\$2M) earned about \$38,000 in interest. The Trustees are in the process of moving funds (\$0.5M) of some CRFs (FIRE TRUCKS, GRADER and LOADER) from the SWEEP Account (2% interest rate) into special CDs (~4% interest rate).

Orford Village District (OVD) CRF. An Appropriation of \$1,000 voted in OVD Warrant Article 3 was received. There were no expenditures. The Savings Account for this CRF earned a small interest.

Donor Trusts. Additions to the Donor Trusts included \$1,200 donated to new Cemetery Perpetual Care Trusts and \$24,435 in donations for the BANDSTAND TRUST. There were no expenditures.

The Trustees spent considerable extra time this year coordinating with the Cemetery Commission regarding the process to invoice expenses to the Cemetery Perpetual Care (CPC) Trusts. The CPC Trusts may only expend from their Income per NH RSAs. Per subsequent NH Probate Court rulings outside the RSAs, the Trust income must be invoiced to specific gravesites for their care, and expenses for general cemetery maintenance and improvements are not allowable. Rediscovery of the court-ruling constraints necessitated changes to an invoicing process that was incorrect for many decades. The prior process (incorrectly) shared expenditures across all Trusts and periodically included general maintenance expenses.

The Trustees also spent considerable extra time researching the steps needed to document the creation of the BANDSTAND TRUST to satisfy NH Dept. of Justice requirements for Donor Trusts.

After it came to light that the WWII MONUMENT MAINTENANCE Trust was incorrectly created as a taxpayer-funded Expendable Trust Fund in 2004, the Trustees also spent some time coordinating with NH Depts. of Justice and DRA about how to take corrective action. Warrant Articles at the 2025 Town Meeting are the first step to correct this Trust to a Donor Trust that may expend from Income Only.

The Trustees invested some Perpetual Care, Sawyer Scholarship and OSFE Trust Funds in CDs at higher rates of return (~4%). The Trustees have now arranged for Dividend Income to be paid in cash from all mutual fund investments for the Cemetery Perpetual Care, Niles Fund and Sawyer Scholarship Trusts. Receiving Dividend Income in cash vs. reinvestment simplifies bookkeeping and reporting work for annual MS reports. Interest income was about \$4,300. Dividend Income was about 9% greater than in 2023, and Capital Gains Income was about 60% smaller. Market Values of the Mutual Funds grew 13%.

<u>Reporting</u>. Trustees successfully submitted the required Calendar Year 2023 MS-9 & MS-10 financial reports to the NH Department of Justice (DOJ) via the NHTTF on-line Portal. The Trustee section of the Orford website provides links to copies of these reports. For 2025, NH DOJ will require that all Donor Trusts now be identified as either "Income-Only" or "Expendable", as shown in the financial table.

Elected Trustees: Seth Carter, Christopher Crowley, Victoria Schwaegler Alternate Trustees: Bartlett Harwood

INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen Town of Orford Orford, New Hampshire

Opinions

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Orford, as of and for the year ended December 31, 2023, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Orford as of December 31, 2023, and the respective changes in financial position thereof, and the budget to actual comparison for the General Fund for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Town of Orford, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

PO Box 463 • Keene, NH 03431 (603) 856-8005 info@roberts-greene.com In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Consider whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, any significant audit findings, and any internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the pension and OPEB related schedules on pages 31 - 34 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

The Town of Orford has not presented a management's discussion and analysis. Accounting principles generally accepted in the United States of America have determined that the management's discussion and analysis is necessary to supplement, but is not required to be part of, the basic financial statements.

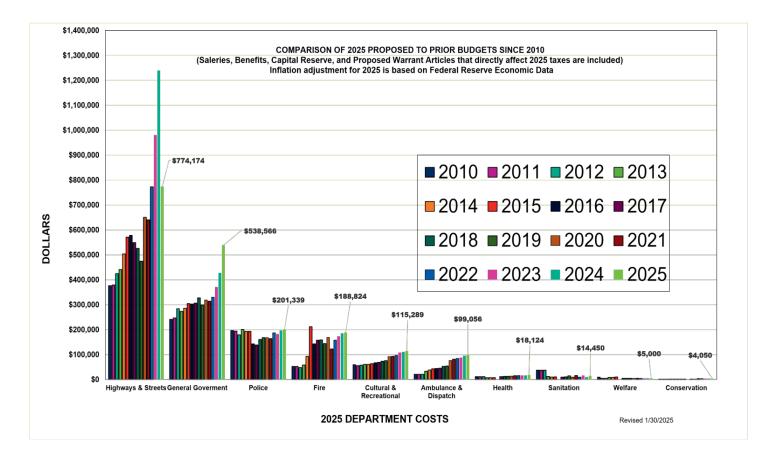

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Orford's basic financial statements. The combining and individual general fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. These schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual general fund schedules are fairly stated in all material respects in relation to the basic financial statements as a whole.

ASSESSING DEPARTMENT REPORT 2024

In 2024, there were roughly 100 properties visited that had indicated they made changes to the property or had ongoing construction as of April 1, 2023. These properties were adjusted accordingly.

Data Verification of all properties will continue this year. We visited roughly 200 properties for assessment data verification. We expect to visit another 200-250 properties. Our goal is to verify the physical data to ensure the assessments are accurate. If no-one is at home, we will take the opportunity to verify the exterior measurements of all primary improvements (buildings etc.).

If an adult is home at the time of the visit, the representative from the Assessor's Office will ask to verify the interior information via tour provided by the adult, if it is safe for all involved. At no time will a representative enter a property where a minor is the only person home. In the event a property is posted "No Trespassing", the representative will knock on the door to seek permission to verify the physical data. In the event no-one is home, there will be no attempt to verify the exterior data. The Assessing Official will make another attempt on a subsequent date. If the property is "Posted" and gated the Assessor's Office will not enter the premises. However, there will be a letter sent requesting an appointment to verify the physical data. If the property owner doesn't respond to the request, the Assessor will estimate the features of the property to the best of his/her ability.

It is of the utmost importance to have accurate data to ensure all property owners in Orford are assessed equitably.

Orford conducted a town-wide reassessment in 2020 bringing the assessments to market value as of April 1, 2020. The real-estate market continues to be very robust with values continuing to increase. The 2024 estimated weighted mean assessment to sale ratio is 58.6%. The estimated median assessment to sale ratio is 61.2%. Please be advised this is subject to the Department of Revenue's final determination which will be completed sometime in the first quarter of 2025. The next scheduled town wide revaluation will be conducted in 2025 pursuant to the NH Constitution and State law.

Please take the time to review your property record card for accuracy on an annual basis. If you have questions, please contact the selectmen's office.

I would like to thank you for your continued cooperation.

Brendon McGahan, CNHA Granite Hill Municipal Services Orford Assessing Agent

Fire Department 2024

The Orford Fire Department had a challenging year in 2024. We had a change in leadership and some personnel turnover. The current members are a dedicated group and remain committed to responding to emergencies in our community. We welcomed back a few former members along with two new members. We are still seeking new members either those interested in fire, rescue, EMS responder or any combination of those. Anyone interested can contact any member of the Department or email firechif@orfordnh.us.

One of the tasks the members accomplished was a review of the status of our equipment and vehicles. Some of the questions asked were; Is the equipment meeting the needs of the Town? Does any of the equipment need updating or replacing? One of those pieces that needs updating is the hydraulic extrication tools (Jaws of Life). The ones we have now were donated to the Town in 1990 (by The Orford Volunteer Fire Department Inc.). The cutters are not strong enough for some of the alloy metals used in modern cars. Replacement parts are no longer available. To assist in replacing these tools, three grants were applied for. Unfortunately, we were not awarded any of them. The plan is to apply for grants again in 2025.

Also, during the review, it was decided to seek the replacement of the Rescue. In 1998 when this vehicle was designed, the department was responding to different kinds of incidents than today. Then we were responding to motor vehicle crashes in the three surrounding towns (we were the only ones with the hydraulic extrication tools in these towns). Today we are more likely to respond to a wilderness rescue or a wildland fire. The proposed vehicle, to replace the Rescue, is more suited to these tasks.

During 2024 there were 188 requests for response. The majority (95) were requests for medical assistance. The rest included Brush/rubbish fires (5), Motor vehicle crash (8, 1 with entrapment), and other miscellaneous calls.

Report of Forest Fire Warden and State Forest Ranger

In 2024, New Hampshire experienced an average spring wildfire season which included a 20-acre fire in Effingham in late April. Conditions remained wet enough throughout most of the summer to keep fire occurrence low. However, the fall conditions experienced throughout the northeast were higher than normal as drought conditions set in, keeping state and local firefighters very busy. The week before Thanksgiving found firefighters and forest rangers spending 3 days in an effort to extinguish a 21-acre fire in Exeter. State resources also responded to Connecticut, Massachusetts and Vermont to assist with large fires which occurred in the fall.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Every year New Hampshire sees fires which threaten or destroy structures, a constant reminder that wildfires burn more than just trees. In 2024, New Hampshire properties within the Wildland Urban Interface were impacted, with 37 structures threatened and 4 destroyed by wildfires. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at <u>www.firewise.org</u>. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe! We ask everyone to remember Smokey's

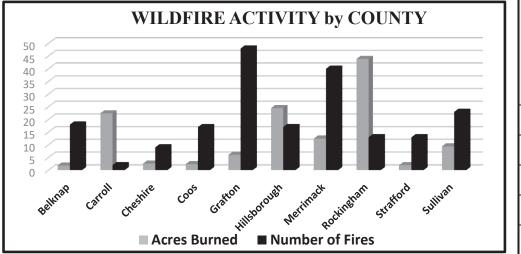

message about personal responsibility and follow his ABC's: Always Be Careful with fire. If you start a fire, put it out when you are done. "Remember, Only You Can Prevent Wildfires!"

As we prepare for the 2025 fire season, please remember to contact Fire Warden Jim Hook 603-353-4834 or either of the Deputy Fire Wardens Jimmy Carter 603-353-9669, John Dunham 603-276-0213, Kevin Follensbee 603-252-5723, or Stephen Sanborn 603-276-5550 to determine if a fire permit is required before doing <u>ANY</u> outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. Fire permits are also

available online in most towns and may be obtained by visiting <u>www.NHfirepermit.com</u> or using the QR code. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services. You are encouraged to contact the local fire department for more information. Safe open burning requires your diligence

and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information, please contact the Division of Forests & Lands at (603) 271-2214, or online at <u>www.nhdfl.dncr.nh.gov</u>. Orford Highway Department Report

2024

This past year started with a few good snowstorms and a few mud seasons. We hit the ground running, working the roads and completing many projects. As with many towns, we had multiple storms that damaged many sites throughout the year. These were dealt with swiftly and with as little delay as possible. This year we worked hard to complete our tasks, start some long-term goals, complete other goals, and improve our skills.

During the year we were able to pull road ditches to allow water to run and grade the roads three times. Many thanks to Tim Chase for coming in and running our grader, his excellent skills allowed our crew members to move material and keep public safety. Many roads had a lot of gravel added to them along with other improvements. Two new culverts were installed, one on Mud Turtle Pond Road and the other on Andrews Road. In addition, we have utilized French drains to help deal with water run-off. We were able to start a longer-term project of trimming back branches and brush alongside the roads. This is a proactive measure to make the roads safer for vehicles and reduce storm issues.

The work on Archertown Road Phase 2 is now complete and came in under budget. I worked with the contractors and engineer, overseeing the project to make sure it was completed to our satisfaction. In addition, we were able to place stone in the ditches of Phase 1. Hopefully we can get the topcoat of asphalt completed in 2025, this will complete Phase 1.

As should be, the Orford Road crew has a goal of continued improvement. All three of our crew are now chainsaw certified and Certified Culvert Maintainers with the State of New Hampshire. The long process of waiting for production and supply issues is now over concerning our three new trucks. All three are fully functioning and outfitted for use. Our crew has put them to great use every day.

In preparation for winter and the coming seasons, a bit of the sand pit was excavated. We were able to not only get sand but also tailings and gravel that have been stockpiled for the spring.

Thank you to our crew Roger and Zach for your hard work and to the Selectboard for their support. With the progress we have made during 2024, we look forward to building upon these achievements and continuing to improve Orford's infrastructure. We have many projects planned for 2025 and anticipate another year of great success.

Sincerely,

Ted Nutter, Orford Road Agent

In 2024, 144 Police Officers were killed in the line of duty while serving their communities. My thoughts and prayers go out to their families and their communities. May they all Rest in Peace, knowing their sacrifice was not in vain, but a sacrifice of their love for the communities they served.

Report of the Orford Police Department 2024

The Orford Police Department's mission is to provide professional and compassionate police service through community partnerships that build trust, reduce crime, create a safe environment, and enhance the quality of life in the Orford community. To fulfill that mission, Integrity, Respect, Fairness, and Excellence are the core values of this department.

In 2024, a total of 1,256 calls for service were responded to by law enforcement, a decrease from 2023 which had 1340. This decrease is mainly attributed to lessor amount of non-criminal and administrative calls for service, and the increase in criminal cases and investigations. Included in these cases or investigations were four DUI arrests (of which there were none in 2023) and numerous other thefts, fraud, malicious mischief, sex offense, and other investigatory cases. These types of cases increase time spent away from patrol due to travel and appearance to the forensics lab in Concord, and courts in Lebanon and Haverhill.

Many communities are continuing to have problems with calls for service involving theft, illegal drug possession/use, and other type of criminal mischief. Orford is not immune from this as we are a locality with NH Route 10 and 25A connecting New Hampshire and Vermont communities, inevitably resulting in the increase of contact with other community residents, increased enforcement and other activities.

I continue to be thankful and appreciative to the Orford residents for supporting me in service to Orford and making me a part of your community. I would like to thank the Orford Fire Department for sponsoring my Emergency Medical Responder licensure and the service they provide. I would also like to extend my appreciation to the other law enforcement agencies that assist and respond to Orford during times of need. This includes Lyme Police, Piermont Police, Fairlee (VT) Police, Grafton County Sheriffs Department, and the NH State Police. Finally, a special thanks to Piermont Police Chief Alling as we continue to assist and provide coverage for each other via our Extended Authority Patrol Contract.

134 people were killed on NH roads in 2024 (127 in 2023). Our youngest and newer drivers, 16-21, experienced the largest increase with 10 fatalities in 2024 (3 in 2023). Motor vehicle enforcement (speeding, distracted driving, drunk/drugged driving) will continue to be a focus with the NH Highway Safety Grant over-time enforcement patrol. Please drive safely as "zero tolerance" enforcement may become the norm, not the exception.

Keep your family's safety and security in mind at all times by locking and securing your homes, your businesses, and your vehicles. Do not leave valuables in your vehicles at any time, and report any suspicious activity.

Continue to watch for things that are out of place, take care of your neighbors and

"If you see something, say something."

Respectfully submitted,

Jason D. Bachus, Chief of Police

BUDGET ADVISORY COMMITTEE REPORT 2025

During this budgeting season the Budget Advisory Committee met several times, including joint meetings with the Selectmen and the public Budget Hearing 1/28/2025. This year, the Selectboard thoroughly scrutinized requests from all departments, as is verified in the Selectmen meeting minutes taken and published by the Administrative Assistant, Esther.

The Highway Department 2025 budget, \$774,174 with Warrant Articles requiring taxation, is \$465,562 (37.6%) less than the 2024 budget requiring taxation, \$1,239,736 with Warrant Articles. Items that affect 2025 taxes are the Operating Budget, Capital Reserve additions, and separate Warrant Articles to raise and appropriate money by taxes. For the past two years Highway Department funding along with Highway related Warrant Articles have driven the budget up substantially, most of it because of expenses on the Archerton Road hill, adjoining roadway, and other road projects. In the 2025 budget all the Warrant Articles dealing with highways are coming out of the Capital reserve, so Highway cost requiring taxation in 2025 is now calculated to be within \$1,218 of the cost in 2022.

Bob Palifka contacted John Deere directly to determine the current equivalent replacement costs for the Town Grader, Backhoe, and Loader. For the Backhoe and loader, the 2024 price was close to what had been planned for, but the Grader current price had increased so much that the Grader Capital Reserve contribution in 2025 needs to be \$16,000 instead of \$7,839 in 2024, more than double. This large increase is more than offset by the Highway Department Trucks reserve being reduced to \$52,900 in 2025 from \$130,000 in 2024. Capital Reserve 2025 contributions are now set at \$439,436 instead of \$490,223 in 2024, a reduction of \$50,787. Cemeteries cost has increased almost \$20,000 because \$5,500 is allocated for Contracted Services and Tree Removal, plus Mowing and Maintenance is to be outsourced in 2025.

0005

Tables below summarize the costs of Warrant articles, if they all pass as written:

	2024	2025
OPERATING BUDGET, ARTICLE 2	\$1,424,572	\$1,469,100
CAPITAL RESERVE ARTICLE 3	\$490,223	\$439,436
OTHER ARTICLES REQUIRING TAXATION	<u>\$452,311</u>	\$18,374
TOTAL REQUIRING TAXATION	\$2,367,106	\$1,926,910
As can be seen in the above table, 2025 Tow	n taxas will be less by \$44	0 106 or 19 6%

As can be seen in the above table, 2025 Town taxes will be less by \$440,196 or 18.6% compared to those in 2024, which should have a reducing effect on that portion of the December 2025 tax bill.

	2024	2025
MONEY FROM UNASSIGNED FUND BALANCE	\$70,941	\$75,947
MONEY FROM CAPITAL RESERVE + FEMA	<u>\$500,000</u>	<u>\$526,000</u>
TOTAL NOT REQUIRING TAXATION	\$570,941	\$601,947
GRAND TOTAL OF WARRANT ARTICLES	\$2,938,047	\$2,528,857
SUBTRACT VOTED FROM UNASSIGNED FUND BAL		-\$75,947
SUBTRACT ESTIMATED REVENUE	- \$1,165,832	- \$1,161,700
ESTIMATED MUNICIPAL TAX TO BE RAISED	\$1,701,274	\$1,291,210
ESTIMATED MUNICIPAL TAX TO BE RAISED	\$1,701,274	\$1,291,210

For 2025 the Selectboard has made good use of the Capital Reserves and Unassigned Fund Balance. The Orford Town budget with all Warrant Articles for 2025 requiring new taxes is smaller than last year's estimate by \$410,064 (24%) and the grand total of Warrant Articles including money from the Unassigned Fund balance and Capital Reserve is smaller than last year's by \$409,190. We now anticipate a reduction of the Municipal cost in the December 2025 tax bill. The Budget Advisory Committee agrees that the proposed Articles 2 through 11 are reasonable, necessary, and we unanimously recommend their passage.

Respectfully Submitted,Budget Advisory CommitteeBill Paxton, Vanessa DeSimone, Bob Palifka-Chair2/3/2025

CEMETERY COMMISSION 2024 In Memory of Kurt Gendron

It was with great sadness that we were informed on September 10, 2024, of Kurt's passing after a long illness. Kurt was a dedicated employee who served the Town for 29 years, keeping our three cemeteries in the best of condition. He was quick to point out to the Commission things that needed to be done, and the right way to go about it, and we are thankful for that. Kurt had a friendly and understanding manner with people who needed information or who were just visiting the cemeteries. His caring will be long remembered.

The Commission wants to recognize the significant amount of volunteer work that was done at our cemeteries in 2024. Due to Kurt's illness, David Smith and Paul and Claudia Tracy did a lot of mowing and trimming at the cemeteries. Paul and Claudia of P&C Gravestone Preservation, also cleaned and/or reset a number of headstones, conducted a headstone cleaning demonstration in coordination with the Orford Historical Society and the NH Old Graveyard Association and sponsored a demonstration on the proper way to reset a leaning headstone. Harry Pease built and installed a new gate at the East Cemetery. Bernie Marvin, a Marine Corps Veteran from Piermont, provided a lot of information and advice about creating a Veteran's Memorial based on his experience in planning and overseeing the building of the Veteran's Memorial in Piermont. Heidi Wilson began organizing a Friends of the Orford Cemeteries group to raise money to help with repair and improvement projects at the cemeteries. Chase and Sue Kling donated holiday wreaths for the gates at the cemeteries again this year. The Commission thanks everyone who helped to maintain and improve our cemeteries this year.

Anyone interested in helping to maintain or improve our cemeteries can contact one of the Commissioners.

Commissioners: Brenda Smith, David Smith, and Linda Pease Selectboard Representative: Chase Kling

ORFORD CONSERVATION COMMISSION

2024 Annual Report

The Orford Conservation Commission (OCC) actively initiates and supports conservation and outdoors-related projects and programs in Orford. Our objectives are to build awareness, educate, promote, and engage the community in stewardship and the enjoyment of the many remarkable natural resources and landscapes in Orford.

Major program initiatives in 2024 included:

- Hike Orford! Outings: Organized and led ongoing monthly community hiking outings, visiting some of Orford's most beautiful scenes and landscapes. Highlights included visiting the Thomson property in Quinttown at the height of the lupine season, summitting Mount Cube in June (with no black flies!), hiking Cottonstone Mountain with October's bright foliage colors, visiting the stunning Brackett Falls, and adventuring out for our Full Moon Snowshoe Hike at Mountain View Farm. What an enthusiastic community response to the hiking program! Thanks for getting outdoors with us.
- Trail Work and Property Maintenance: Cleared fallen trees, aggressive saplings, and brush from Orford Heritage Trail (OHT). Planning 2025 erosion work and repair of the OHT's water bars. Continued maintenance of the Richmond Property trail to the Connecticut River from Rt. 10 and monitored tree plantings at riparian buffer. Conducted preliminary planning with the Rivendell Trail Association for long-term stewardship of the Orford section of the Cross-Rivendell Trail. Thanks for the many volunteer trail work hours!
- Stargazing: Co-sponsored with the Upper Valley Land Trust our annual stargazing party at the Mountain View Farm Conservation Area in Quinttown. More than 100 people attended this year! Plans are already underway for our August 2025 stargazing event.
- Collaboration with Upper Valley Conservation Partners: Co-sponsored outings and worked on conservation easement projects with the Upper Valley Land Trust (UVLT). Co-sponsored outings and worked on trail maintenance with the Upper Valley Trails Alliance (UVTA). Collaborated with the Rivendell Trail Association (RTA) on go-forward planning for the Cross-Rivendell Trail.
- Conservation Land Easement Monitoring: Conducted annual reviews of conserved land in Orford. Monitored and reported to UVLT and Society for the Protection of New Hampshire Forests (SPNHF). Thank you to our volunteer easement monitors!
- ☐ <u>Water Testing:</u> With the goal of maintaining safe and healthy swimming in Orford, conducted water testing from mid-May through Labor Day at sites along Jacobs Brook, at Indian Pond beach/boat launch, and the Baker Ponds. Site testing will continue for 2025. Results to be posted each week. Our dedicated volunteer water testers remain committed.
- Invasive Species (particularly, Japanese Knotweed) Control: Japanese Knotweed colonies were managed along Tillotson Falls Road, Route 25A, and Brook Road. Roadside mowing was coordinated with these efforts. Thanks to the volunteers who make this happen. Thanks to the Orford Highway Department for their assistance. Ongoing work is planned for 2025.
- Wetlands Projects: Reviewed wetlands permit applications. Reviewed NH Department of Environmental Services (DES) letters to landowners regarding wetlands violations or failing septic systems.

An enormous thanks to all our volunteers -- for trail work, invasive species, and water testing. And thanks to our many enthusiastic hikers! We had 55 hikers with headlamps out on our Full Moon Snowshoe Hike this past January! Good news -- planning is already underway for our 2025 conservation activities and Hike Orford! outings. Plan to join us!

Commissioners and Alternates:

Bob Hedges (Chair), Edmond Cooley (Vice Chair), Harry Pease, and Chris Gothberg; Alternates: Emily Bryant (Asst. Secretary), John Miller, and Fran Plaisted (Secretary).

Orford Free Library

The year 2024 was a positive one for the Free Library. Our total patron count for the year was 1700. The library circulated 4530 items. Both of these counts increased from the previous year.

The Free Library provided programs and activities for all ages. Our mystery book discussion series continued throughout the year. Monthly story times were held for children. The Summer Reading Program, "Adventure Begins at Your Library," was held in collaboration with the Social Library. In July, we enjoyed an afternoon of juggling with Rich Brown, and also a butterfly program presented by George DeWolf. Pumpkin carving was held in October. We started a series of Astronomy Nights in November led by Andy Torres. A jewelry making workshop led by Elise King was held in November. The annual Holiday Open House with the Orford Historical Society took place in December. We sponsored collection drives for the Upper Valley Humane Society, Second Chance Animal Rescue and Orford Cares.

We also had a wide variety of resources for patrons. These included: Take and Make kits, a subscription to Mango Languages which allowed patrons to learn new languages at home and online genealogical research sites - Heritage Quest and LibraryAncestry.com. We continued to add new items to our "Library of Things" including outdoor games and a child's metal detector.

The Free Library sincerely thanks the Friends of the Orford Libraries for their generous support. Their funding provided supplies for the Take and Make kits and children's story times, special programming for the Summer Reading Program, new items to lend to patrons, the Mango Languages subscription, and passes to Squam Lakes Science Center, Fairbanks Museum and Canterbury Shaker Village.

We are especially grateful to our Library Director, Laurel Fulford. She provides a welcoming, friendly and helpful presence at the library. Thank you, also, to all of the loyal volunteers who help keep things humming along smoothly.

Orford Social Library 2024

The Orford Social Library offered a welcoming and stimulating atmosphere for over 4000 patrons this year. Our programs, materials and services enrich personal lives, foster community, stimulate ideas and nurture an appreciation and enjoyment of literature, nature and the arts.

Several grants were completed this year: our solar panels were installed in January and offset \$1000 of electrical cost this year. The new ADA compliant ramp and brick pathway were installed. Additional grants from The American Library Association and the Association of Rural and Small Libraries awarded us an additional \$15,000 for heat pumps and \$10,000 to provide better outside lighting and an automatic door opener. These grants provided over \$60,000 for improvements and upgrades to our beautiful building.

Highlights of our programming included a falcon demonstration on the Orford Green from Monadnock Falconry, presentations on the Thompson Family Tree Farm, New Hampshire Bats, Eastern Coyotes, Sewing-a-Tote Bag and Nutrition programs to boost energy and batch cook. We lent out free E-bikes again, and continued to partner with the Free Library to support the Summer Reading theme with the popular annual Squam Lakes live animal show and other hands-on programs.

Our regular programming included: The Ice Cream Social, Witches of Orford, Holiday Open House, Poem on a Postcard, Made in Orford local art exhibit and a Seed giveaway. Popular weekly programs continue with Mah Jongg, Bridge, Knitting, German Conversation, French Conversation and Crokinole, along with monthly Book Discussions, Story and Art time, and Tech Help.

Support from the town of Orford, the Friends of the Orford Libraries and financial support from individuals helps us provide such a wide range of quality services and engaging events. Sincere thanks to you all! In addition, our loyal volunteers: Beverly Andrews-Potry, Eva Daniels, Ann Green, Sukie Hausmann, and Jean Kuskowski deserve much appreciation for their continued help and support. Final thanks go to Trustees Lisa Wheelock (chair), Esther Dobbins Marsh (treasurer), Gail Keefer (secretary), Bonnie McCouch, Brynne MacMurtry, and Tom Trunzo for their on-going dedication and efforts.

NILES TRUST FUND 2024

The Niles Trust Fund was established in 1990 following a generous bequest of \$50,000 to the Town of Orford made by Mrs. Eleanor (Harry) Niles. Both Mrs. Niles and her husband, Harry, held a fondness for Orford and its citizens following their move to town in 1950. They made this bequest to the town to be used for activities and opportunities that will be of benefit to Orford residents. In 1990, a warrant article was passed at Town Meeting to establish a committee for the purpose of making recommendations for disbursements. In keeping with Mrs. Niles's civic interests, the funds will be available for improving community facilities and sponsoring organizations and individuals of Orford with limited available resources for financial aid to support new opportunities and activities.

In 2023 the Committee met with Chris Crowley, Trustee of the Orford Trust Funds, at which time it was agreed to request the Trustees to manage the Fund as if it were a Perpetual fund and disbursements be made from income only.

In 2024 the Committee received and approved one request for a grant of \$7500 for repairs of the Orford Bandstand. However, Trustees of the Fund recommended release of funds be placed on hold pending success in receiving donations to the new Orford Bandstand Donor Fund specifically created to meet the cost of repairs and to promote growth in the value of the Fund.

Orford residents, town committees and organizations are encouraged to consider applying for funding for projects which will benefit the town and its residents. Applications are available on the Orford website and at the Town Office. Interested applicants are encouraged to submit proposals at least two weeks in advance of the event in order to allow time for the Committee's review and approval.

The Niles Fund Committee

PARKS AND PLAYGROUNDS COMMITTEE 2024

The Parks and Playground Committee once again hosted Green Up Day. I think this year was a record number of community members coming out to help pick up the town roads. Before we left most roads had been accounted for. We will continue to have kits available for early pick up outside at the Town Office or from Sandra and crew at the transfer station. Thanks to Sandra Marsh and crew for all the help with this. We would not be able to do this without all of their help! Thank you to everyone that participated!

I once again would like to thank Lawrence Hibbard for all the time and effort he has put into the upkeep of the Community Field and other town properties. He puts many hours into maintaining the various town properties, and it has not gone unnoticed!

Robb and Lawrence once again made sure the flags were up on the telephone poles around town. A special thanks to Bill McKee for continuing to raise and lower the flags around town when necessary.

The combined swim program with Piermont was a huge success this past year. They had a 3-week swim program that had 92 area kids enrolled. They had a total of 66 kids from Orford and Piermont. The other 26 students paid to participate in our program. They came from many surrounding towns including Bradford, Woodsville, Pike, Wells River, and Fairlee!

We would like to thank Harry Osmer for stepping in to fill the Beach Monitor Position. After a couple of years without a monitor there were a few bumps at the start of the season. We tried to work through them the best we could. We will continue to try to improve the beach pass process. If you plan on using Indian Pond please remember to stop by the town office to pick up your beach pass.

The concerts at the Bandstand continue to bring in people from many neighboring towns. They are an event that many look forward to. Thank you to the Bandstand Committee for putting together another successful season. You can stay up to date on the concerts by following their Facebook Page. We continue to try to address the issues at the Bandstand.

The Open-Air Market had another successful year on the common. Thank you once again to Cara Dyke for all your efforts to pull this together and keep it going. Orford Open Air Market also has a Facebook page where you can find more information or contact Cara about becoming a vendor.

We look forward to seeing everyone in May at the transfer station for Green Up Day!

PLANNING BOARD 2024

The Orford Planning Board continued to serve the citizens of Orford throughout 2024, regularly meeting on the second Tuesday of each month at 5:30pm at Orford Town Hall. Agendas, notices and minutes can be found on the town website, while public hearing and notices and agendas are also posted at the Town Hall and Orford Post Office. Generally, this year saw typical Planning Board business with many informal discussions, followed by Public Hearings and application decisions.

2024 started with a Major Subdivision Application Public Meeting/Hearing with Pioneer Surveying for CR Living, LLC, Tax Map 8-93, Lot 27, which was approved unanimously by the planning board. March saw new board members seated with Mark Adamczyk and Caleb Day joining the Board. Tom Thomson was added to the board in May, with Ann Green joining to serve as alternate. To support the Board and Town, Upper Valley Lake Sunapee Regional Planning Commission was reengaged to continue guiding the board on planning policies and procedures. Renee Theall serves as the UPLSRPC representative for Orford.

The summer months saw the board conducting informal discussions involving Mountain View Hideaway and Nick Castel, Map 8-108R Lot 58, 48 LR Property LLC. Of those, the Mountain View application for a street plat was eventually moved to a Public Hearing in October and approved by the board nearly unanimously, except for Paul Goundrey abstaining from the vote.

Nick Castel, Map 8-108R Lot 58, 48 LR Property LLC conducted several informal meetings throughout the fall, moving from a condominium plan to an application for a subdivision, creating three lots on the property. This December application and January Public Hearing were eventually postponed due to a missing abutter notice.

The fall and early winter continued with informal discussions clarifying policies and procedures for our fellow taxpayers. Indian Pond Limited Liability LLC continued informal presentations of subdivisions and lot line adjustments for property around Indian Pond Rd and areas east. Members of the board completed an inspection of Thomson Gravel Pit. The board also conducted a survey of citizens related to updating the Wireless Telecommunications Ordinance in the town. These surveys indicated a growing desire for better cellular reception all over the town and specifically in East Orford.

Many thanks to the members of the Board for their service to this community. We encourage any folks interest in serving on the board or as alternates, so please contact the board, or come to a meeting – the second Tuesday of each month at 5:30pm.

Respectfully submitted,

Mark Adamczyk, Chair, Paul Goundrey, Vice Chair, Martha Rose, Secretary, Caleb Day, Tom Thomson, Ruth Hook

Upper Valley Lake Sunapee Regional Planning Commission Highlights 2024

- Local to communities: UVLSRPC staff have worked with several municipalities in updating local plans and ordinances this year including auditing regularions for potential improvements, master planning, hazard mitigation planning, and natural resources inventories. UVLSRPC continued to provides planning board support and GIS support and provided technical assistance on transportation-related projects. Staff have assisted municipalities with successful grant writing and grant administration.
- Housing: UVLSRPC remained at the forefront of housing discussions, assisting communities' conversations of the need for housing through board meetings, community engagement, and RHNA presentations at housing forums. Technical assistance to communities in receiving grant funds and facilitating regulatory audits continued. The Housing Utility project, an addition to the Keys to The Valley initiative, continued to flourish and held its second annual *Home Creator Expo*. For more information on our housing work https://www.uvlsrpc.org/housinguvls/
- Transportation: UVSLRPC has knowledge and expertise in Regional Transportation. Our team has provided technical assistance to over 20 projects of regional priority to advance them toward implementation including data collection and grant application development. Our goal is to bring more transportation funds to the Upper Valley Region through project development and technical assistance. Our team secured funding from USDOT's Thriving Communities Program to add capacity to our communities in resiliency planning and advancing transportation projects that boost a resilient roadway network with cross-sector benefits. Our team is also in the final stages of approving the Region's Long-Range Transportation Plan that showcases both capital and non-capital strategies to improve the region's transportation system https://uvlsrpc.org/transportation/long-range-transportation-plan-lrtp/
- Project Highlights: UVLSRPC has been awarded funding and has worked entensively on brownfields priorities, clean transportation, resiliency planning, stream and culvert assessments, lead paint reduction, and creating a new stormwater program.

UVLSRPC will continue to serve its member communities in addressing the region's highest priorities.

UPPER VALLEY AMBULANCE

5445 Lake Morey Road, Fairlee VT 05045 802-333-4043 (office) 802-333-3800 (fax) info@uppervalleyambulance.com

2024 Annual Report

This year has been a busy one for Upper Valley Ambulance. We are on pace to respond to over 1600 emergency calls. This represents an increase of approximately 5% over last year's emergency call volume. In addition, on July 1 we added a fourth ambulance and crew during the daytime. This ambulance is dedicated to doing interfacility transfers and provides a much-needed service to DHMC and other local hospitals as they move patients to the most appropriate hospitals. Last year, Upper Valley Ambulance did 265 interfacility transfers. We are now on pace to do over 750 interfacility transfers per year.

The interfacility transfers have been a good source of revenue for Upper Valley Ambulance. Significantly, this operation has allowed for necessary wage and staffing increases while limiting the increase of our 2025 per capita charge to the towns to \$2 per capita instead of \$10 per capita. Since this is an additional ambulance and crew, the interfacility transfers have not interrupted emergency coverage.

We have a solid core of dedicated providers. In addition to the paramedics already on staff, two of our providers are in paramedic school and should be finishing in the summer of 2025. We also have five providers who are finishing their advanced EMT certification and should be ready to practice at that higher level in the spring of 2025.

In February of 2024, the previous director, Alan Beebe, retired. I was able to work with him for a few weeks in transition and have been filling the director position since then.

Thank you for your support.

DARTMOUTH HEALTH - VISITING NURSE AND HOSPICE FOR VT AND NH Home Health, Hospice and Pediatric Services Orford, NH

Visiting Nurse and Hospice for Vermont and New Hampshire (VNH) is one of the oldest and largest nonprofit providers of in-home healthcare services in the region. VNH is committed to providing the highest quality care throughout all stages of life, from maternal child care to end of life hospice care, and everything in between. Providing individuals and families with the care they need within the comfort of their own home allows them to maintain comfort and dignity throughout their time of care.

As an integral part of the community healthcare system, VNH serves to breech an otherwise significant gap in the community's continuum of care. Last year, provided 317 visits to 16 Orford residents of 211 ages and at all stages of life. VNH is also the foremost team of hospice and home health experts for over 140 communities in Vermont and New Hampshire. We deliver nursing, hospice and rehabilitation services at home with proven effectiveness, integrity and compassion. Just as local families have counted on us since 1907, you can count on us today.

Having our patients maintain their independence is key. Our nurses, therapists, social workers and support staff provide assessments, medical care and education to assist people in leading a more self-sufficient and independent life. We also provide support to terminal patients and their families to assure they are comfortable and experience quality of life in their final days. Our patients include the frail, elderly, and disabled often recovering from major surgery or illness as well as children with chronic medical needs. All of our patients benefit by receiving the care they need in the familiarity and comfort of home.

Town funding is what allows us to reduce the cost of services provided to those in need. With adequate town funding, we are able to provide an affordable option for home healthcare throughout the communities we serve. To continue meeting this need, we hope your budget will include continued financial support of Visiting Nurse and Hospice for Vermont and New Hampshire.

On behalf of the people we serve, we thank you for your consideration of this request.

Martin Degen, Chief Financial Officer

GRAFTON COUNTY SENIOR CITIZENS COUNCIL, INC. REPORT 2023/2024

Grafton County Senior Citizens Council, Inc. (GCSCC) is a private nonprofit organization that provides programs and services that support the health and well-being of our communities' older citizens as well as adults with disabilities. GCSCC's programs enable community members to remain independent in their own homes and communities for as long as possible.

GCSCC operates eight senior centers (located in Bristol, Canaan, Haverhill, Lebanon, Lincoln, Littleton, Orford, and Plymouth) and sponsors the Grafton County ServiceLink Resource Center and RSVP Volunteer Center (an AmeriCorps Seniors project). Through GCSCC's network, older adults and their families take part in a range of community-based long-term services including home-delivered meals, community dining programs, transportation, outreach and counseling, chore/home repair services, recreational and educational programs, and volunteer opportunities.

From July 1, 2023 through June 30, 2024, 112 older residents of Orford were served by one or more of GCSCC's programs offered through Orford Area Senior Services. In addition, 14 residents were served through ServiceLink.

- Older adults from Orford enjoyed 3,324 meals prepared by GCSCC.
- Orford residents received wellness calls, assistance with problems, crises, or issues of long-term care through 52 visits with a trained outreach worker and 42 contacts with ServiceLink.
 -] Orford residents participated in 264 health, education, or social activities.
- 3 door-to-door, on-demand bus rides were provided for Orford residents.

The cost for GCSCC to provide services for Orford residents in 2023-2024 was \$49,530.52.

Such services can be critical for older adults and adults with disabilities who want to remain in their own homes and out of institutional care in spite of chronic health problems and increasing physical frailty. Doing so saves tax dollars that would otherwise be expended for nursing home care. GCSCC's programs also contribute to a higher quality of life for older friends and neighbors. As our population ages, supportive services such as those offered by GCSCC are becoming even more critical.

GCSCC would very much appreciate Orford's support for our programs that enhance the independence and dignity of older adults and adults with disabilities. GCSCC enables our community members to meet the challenges of aging, while remaining in the security and comfort of their own communities and homes.

TRI-COUNTY COMMUNITY ACTION PROGRAM

Tri County CAP is a Family of Programs, serving families in Coos, Carroll, and Grafton Counties. We are dedicated to improving the lives and well-being of New Hampshire's individuals, families, and communities. We provide opportunities and supports for people to learn and grow in self-sufficiency and to get involved in helping their neighbors and improving the conditions in their communities. We seek to eliminate the root causes of poverty through the development of programs that allow low-income individuals the opportunity to meaningfully participate in the State and National economy and the social fabric of their communities through programs that address: Education; Emergency Support; Economic Development; Food Self Sufficiency; Marshalling of Local Resources; and Transportation.

Tri County Community Action Program provides opportunities to strengthen communities by improving the lives of low to moderate income families and individuals.

Annually we serve more than 24,000 individuals that reside over 4,455 sq. miles of Northern New Hampshire. TCCAP and our 16 service programs provide services to all residents of Coos, Carroll, and Grafton County's requesting and needing support. During our Fiscal Year 2023 we served a Total of 66 Orford Clients valuing \$72,287.26 in services provided.

Tri County Community Action Program thanks all communities and counties that we serve for their financial support of the programs, so that we may be able to continue to provide services to our community families in need.

Respectfully, Brenda Gagne, Chief Programs Officer

WEST CENTRAL BEHAVORIAL HEALTH

In fiscal year 2024 (July 1, 2023 - June 30, 2024), West Central Behavioral Health (West Central) served 1153 adults and 427 children, providing behavioral health services at outpatient clinics in lower Grafton and Sullivan counties, residential care for adults, community-based programs, and mobile crisis response services. In all, 47, 743 services were delivered, 14,896 of which were to children ages 3 -17. Mobile Crisis Response (MCR) services were made available 24/7 via the NH Regional Response Access Point (NHRRAP).

As the only provider of comprehensive, community-based mental health treatment and support services in the area, West Central was pleased to provide mental and behavioral health services for people in Orford during the last fiscal year. A total of 138 services were provided to 7 Orford residents including 6 children. We were grateful to have received \$1800 in funding from the Town of Orford last year. These funds are crucial in providing services for adults, families, and children in need. By supporting access to mental health care, the Town of Orford is investing in the health and safety of the town and its residents. Mental health affects every facet of a community's welfare.

Mental Health services continued to be in high demand throughout our region. The Mobile Crisis Response team has significantly impacted hospital admissions as nearly all of their calls result in an emergency room diversion. From July 1, 2023 – May 31, 2024, the Mobile Crisis Response Team:

- Conducted 233 outreaches (MCR dispatched into the community by RRAP); 161 were in the persons' home, 23 were at school, 42 were in the community and 7 were at the county jail
- Conducted 14 outreaches involving Police (RRAP contacted by local police requiring WCBH MCR involvement); and,
- Conducted 107 Urgent Appointment Requests initiated by the Rapid Response Access Point (crisis is triaged by RRAP and then follow-up was made by West Central MCR via telephone, telehealth sessions or in-person appointment) within 24 hours post RRAP contact
- Performed 205 evaluations at Valley Regional Hospital or Alice Peck Day Memorial Hospital

West Central is one of ten community mental health centers (CMHCs) delivering behavioral health services to individuals and families throughout New Hampshire and provides services for individuals of all ages including:

- Adult Outpatient Programs
- Child and Family Services
- Arbor View is a licensed, recovery-focused community residence located in Newport, NH for 16 adults over age fifty, who are diagnosed with severe and persistent mental illness.
- Mobile Crisis Response teams are available 24/7 through New Hampshire's Rapid Response Access Point (NHRRAP) crisis helpline.
- Community-based services, provided year 'round in schools, nursing homes, workplaces, and correctional facilities. West Central is the fiscal sponsor for Youth/CAN a Drug Free Communities Grant focusing on changing community norms around underage drinking and drug use.

PUBLIC HEALTH COUNCIL OF THE UPPER VALLEY

The Public Health Council of the Upper Valley (PHC) is our region's trusted leader in public health, supporting the people, professionals, and organizations, who together, make our communities healthier places to live, work, and play. Our mission is to improve the health of all Upper Valley residents through four key approaches:

- 1. Collaborative Action: We work with municipalities, health and human services organizations, businesses, and policymakers to develop and implement actionable plans and best practices to address community priorities and ensure access to essential public health services.
- 2. Idea and Information Sharing: We gather and disseminate important public health information across the region and create opportunities for people to come together and share their experiences and expertise.
- 3. Support for Underserved People: We advocate for health equity, sponsor promising programs, and provide additional technical assistance to municipal and organizational leaders to help vulnerable community members.
- 4. Unified Priorities: We align the public health priorities of the region to promote collaboration and progress toward shared goals.

PHC is recognized by the State of New Hampshire as one of its regional public health networks and collaborates closely with White River Junction District Office of the Vermont Department of Health.

Our work in 2024 included:

- Hosted six free flu vaccine clinics in Upper Valley in partnership with Dartmouth Health, Geisel School of Medicine, and local partners, providing close to 1,500 vaccines.
- Hosted host eight learning sessions that bring people and organizations together across state lines to address the region's health priorities.
- Supported Upper Valley Strong's responds to July 2024 flooding.
- Addressed health disparities by bringing together members of underserved communities to identify and respond to community-defined needs.

- Supported projects promoting childhood lead screening and recovery housing needs, among other improvements in our community health systems.
- Gathered local legislators and service providers to discuss many layers of work force challenges impacting health and wellbeing in our region.

PHC appreciates the opportunity to serve the residents of Orford and will work hard to meet your needs in 2025. For more information about PHC, visit us at www.uvpublichealth.org.

RIVENDELL TRAILS ASSOCIATION 2024 Annual Report

"To create and maintain the Cross Rivendell Trail as an educational and recreational resource for Rivendell's schools and the community"

The Rivendell Trail Association (RTA) is a volunteer-run nonprofit organization based in Fairlee, Vermont, dedicated to maintaining the Cross Rivendell Trail (CRT) as a resource for place-based education and community recreation. In 2024, the RTA formed a new interim board committed to revitalizing both the organization and the trail. The RTA interim board has met monthly since July and is actively working through various tasks, including reengaging with landowners, inventorying the entire 36-mile trail, planning for needed maintenance, and reconnecting with volunteers and hikers to ensure the CRT will be a treasured multi-town resource for years to come. In addition, volunteers completed extensive trail maintenance on the CRT at Patterson Mountain and installed a beautiful new kiosk at the Flagpole Hill trailhead in Vershire. The RTA also partnered with the Upper Valley Trails Alliance to clear / re-establish the section of trail between Rte. 25A and Baker Road in Orford.

CASA

CASA serves abused and neglected children and youth from birth to 21 years of age throughout the state. Our advocacy services ensure that these young victims are placed in safe, supportive homes free from debilitating trauma. Our purpose is to provide well-trained, caring *Guardians ad Litem* (GALs) to advocate for victimized children and youth in the New Hampshire court system.

Victimization of children and acute childhood trauma are often the threshold for myriad other problems, including addiction, chronic physical conditions, depression, self-harming behaviors, insufficient educational progress, criminality, and other psychiatric disorders in later life. Ultimately, these problems harm the child and negatively impact the community as a whole, passing the impact of their trauma to the next generation. CASA advocates play a critical role in breaking the cycle of abuse and trauma. New Hampshire judges have come to rely on CASA advocates as the voice of reason in a complex legal system. In FY year 2024, we served over 1,500 children statewide.

Before COVID-19 struck, CASA was already trying to manage a steep increase in cases due to the substance misuse epidemic in New Hampshire. Now, between the substance misuse crisis and the pandemic, which has challenged families through job loss, increased mental illnesses, substance misuse, and domestic violence, we will be even more challenged to build the capacity needed to reach our overarching goal of serving 100% of victimized children. Regrettably, in FY 2024, we could only accept 78% of the cases referred to us and had to refuse cases involving 183 children in 91 families.

New Hampshire's abused and neglected children are a part of every community within our state and range in age from birth to 21. National studies show that children with a CASA volunteer benefit in countless ways – they are more likely to be placed in safe, permanent homes, receive better mental, emotional and physical health services, and have fewer placement changes than children without a focused advocate. With the support of a CASA advocate, neglected and abused children have access to a brighter future. Thank you so much for your consideration of this request for your next funding cycle. Should you require additional materials to support this letter, please contact Tarah Bergeron, Development Associate at (603) 626-4600 x2113 or by emailing <u>tbergeron@casanh.org</u>. Thank you for your consideration.

NORTH COUNTRY HOME HEALTH & HOSPICE 2024 Annual Report

North Country Home Health & Hospice Agency (NCHHHA), a 501 (c)(3) non-profit organization, proudly provides compassionate home health, hospice, and long-term care services across Coös and Grafton Counties. Serving approximately 76,000 residents across 2,705 square miles, our Mission as a proud affiliate of North Country Healthcare is to improve lives by supporting patients and families through their healthcare journey at home. For many rural residents, we are not just a healthcare provider—we are a lifeline.

In 2024, we made 53,162 visits across our two counties. Across our service area, we experienced an 11% increase in the number of patients served and a 14% rise in total visits, reflecting the growing reliance on our care. In 2024, for Orford, we visited 6 patients 50 times for home health, hospice, and long-term care services. At the same time, the complexity of care has risen, with more patients facing higher-acuity conditions that require advanced clinical expertise. Despite the challenges of rising costs and reduced reimbursements from insurance companies, NCHHHA remains steadfast in our commitment to ensuring that no one in need goes without care, and we meet them wherever they might call home.

Your support of NCHHHA extends far beyond the patients we serve—it strengthens the entire community. Every home we visit in Orford represents a neighbor cared for, a family supported, and a community uplifted. By ensuring access to these essential services, you help create a healthier, more resilient town where people of all ages can thrive. Investing in NCHHHA is an investment in the wellbeing and independence of your friends, family, and neighbors.

The steadfast partnership between NCHHHA and Orford is vital to addressing the unique challenges of rural healthcare. Together, we can meet the growing demand for home-based care, adapt to changing needs, and continue to provide services that foster independence and dignity for all.

For more information, please visit <u>www.nchhha.org</u> or contact Ren Anderson directly at (603) 444-8399. Thank you for partnering with us to improve lives across the North Country.

WISE

WISE leads the Upper Valley to end gender-based violence through survivor-centered advocacy, prevention, education and mobilization for social change.

Since 1971, WISE has been dedicated to providing trauma-informed advocacy and support for victims of domestic violence, sexual violence, stalking, and human trafficking within 23 Upper Valley communities, including the Town of Orford. WISE supports people though the confidential and free 24-hour crisis line, on-site emergency housing and housing advocacy, legal services, safety planning, groups, and in-person advocacy at the WISE Program Center, police stations, courthouses, hospitals, social service agencies, and at Dartmouth College. In FY24 (7/1/23-6/30/24), WISE provided advocacy and other critical support services to a total of 1355 people. Among the advocacy responses sought from WISE, emergency shelter, legal advocacy, and accompaniments were the most common. WISE advocates are available every hour, every day at 866-348-WISE, or text at 603-836-9472 or chat online at resourceconnect.com/wiseuv/chat
