

TOWN OF ORFORD

APPLICATION FOR PERMIT FOR ROAD IMPROVEMENTS ON
CLASS VI HIGHWAYS BY PRIVATE INDIVIDUALS

NAME: _____

ADDRESS: _____

PHONE: _____

I/We would like to apply for a permit for repairs and/or maintenance of _____ Road,
a Class VI Highway in the Town of Orford, NH

DESCRIPTION OF PROJECT LOCATION: (Please draw a map showing the Class VI highway and the
area to be repaired, maintained and/or plowed. Include landmarks and/or mileage. Attach another sheet
if necessary).

Check the appropriate line(s) and describe work in space provided:

___ CUTTING AND CLEARING: Cutting and clearing is limited to the existing traveled way. Special
permission for cutting outside the traveled way may be granted if conditions warrant. Please indicate if
the cutting and clearing is to be done within the existing traveled way and whether or not the applicant
requests authority to cut and clear outside the traveled way.

___ GRADING: Grading shall be done only within the existing traveled way. No change is allowed in
the horizontal and/or vertical alignment of the existing traveled way. Describe the area to be graded and
the method and manner to be used.

___ DRAINAGE: Indicate on your map the existing natural pattern of drainage and existing water
courses. Indicate whether or not drainage is to be directed into any new water courses (if so, easements
will be required).

___ GATES AND BARS:

___ STONE WALLS: Indicate on your map any stone walls. By this application, the applicant assumes
responsibility for any damage to stone walls located within the Town Right of Way.

___ PLOWING:
